

# INFINITE CAMPUS GRADEBOOK

## IN DEPTH

**Date: JULY 29, 2008**  
**1:00 to 4:00**

**Location: TLC**

Participants will develop their comfort level with Infinite Campus. The basics of the grade book and the tools that enhance classroom management will be covered. We will work with the daily Instructional Aspects of the Student Data Management System used by the district, as well as how to use reports and how to pull data out of the system.

**Prerequisites: Basic Computer Skills**

**Instructor: Pam Hopkins [PamH@susd12.org](mailto:PamH@susd12.org)**
